Generally, pretty good news...

1. **Gold King Response—IT Support.** Monitoring events on a daily basis, and things are going well. We talk at least daily with Chris Freed, our on-site IT contractor deployed in Durango. Keeping very close watch on this. Will follow up with OCPI again Monday.

6. **Gold King FOIA status.** Alan Engels is keeping track of all Gold King FOIA's and communicating project status with team via a solid tracking sheet. Sheet sent out today.
